## **15th Annual Weston Antique Car Show expected to draw large crowd**

If this year is anything like last year, the 15th Annual Weston & Wayland Rotary Club Antique & Classic Car Show scheduled for September 26th rain or shine promises to be another great take for car owners and families alike.

The event, sponsored by Weston Rotary, DeVito Auto Restorations, Boston Sportscar Company, and Yerardi Transportation Inc., had over 260 cars in years past ranging from Classic Muscle Cars to Micro Messerschmidts to a custom "turtle mobile" and over 2,400 attendees.

All net proceeds from the car show go to Weston Rotary Educational Scholarships and other Rotary Club projects. Cars can show up from 8:00 AM or Attendees from 10 AM to 3 PM.

"We are excited to celebrate our 15th anniversary of the show. We hope that everyone will join us to this year. Each year this show gets bigger and more renown", according to show manager Richard DeVito, Sr. "This show is a Rotary fundraiser that benefits the Rotary Scholarship fund and other Rotary projects and has raised over \$147,000 in the past 14 years! This year we are expecting a flock of race cars from Sprint cars to Indy cars. In addition we'll have a number of Ferrari's, Mercedes Benz, Jaguars, Rolls' as well as Chevrolets, Studebakers, Fords, and everything in between. I always tell people we'd like any car to be shown that you'd like to show!"

In addition to cars, Weston Rotary will have popcorn, hotdogs, hamburgers and soft drinks. It's a great time for car kids from 6 to 106.

The event is also in memory of Vic Yerardi who helped start this event 15 years ago.
